

PATEL INSTITUTE OF SCIENCE & MANAGEMENT

(A UNIT OF PATEL RAMAIAH EDUCATIONAL & CULTURAL TRUST*)

Affiliated to Bengaluru North University, Approved by AICTE, Govt. of India, New Delhi

BACKUP ELECTRIC SUPPLY

Patel Institute of Science and Management (PISM) understands the importance of uninterrupted power supply in today's world. We have a robust electrical grid power supply connection that ensures continuous and reliable power supply throughout the campus.

Our electrical grid power supply connection is equipped with advanced technology and modern equipment to ensure efficient power transmission and distribution. We have taken all necessary measures to maintain a stable power supply with minimal downtime. Our electrical grid power supply connection is also equipped with advanced safety features and fire protection systems to ensure the safety of our students, staff, and faculty.

In addition, we regularly conduct maintenance checks and upgrade our infrastructure to ensure that we are up to date with the latest technological advancements. Our dedicated team of professionals ensures that our electrical grid power supply connection is working at its best capacity and any issues are resolved quickly to avoid any disruptions.

At PISM, we understand the importance of power supply for academic and research activities. With our reliable and efficient electrical grid power supply connection, we strive to provide our students, staff, and faculty with an uninterrupted and safe learning and working environment.
