

PATEL INSTITUTE OF SCIENCE & MANAGEMENT

(A UNIT OF PATEL RAMAIAH EDUCATIONAL & CULTURAL TRUST®)

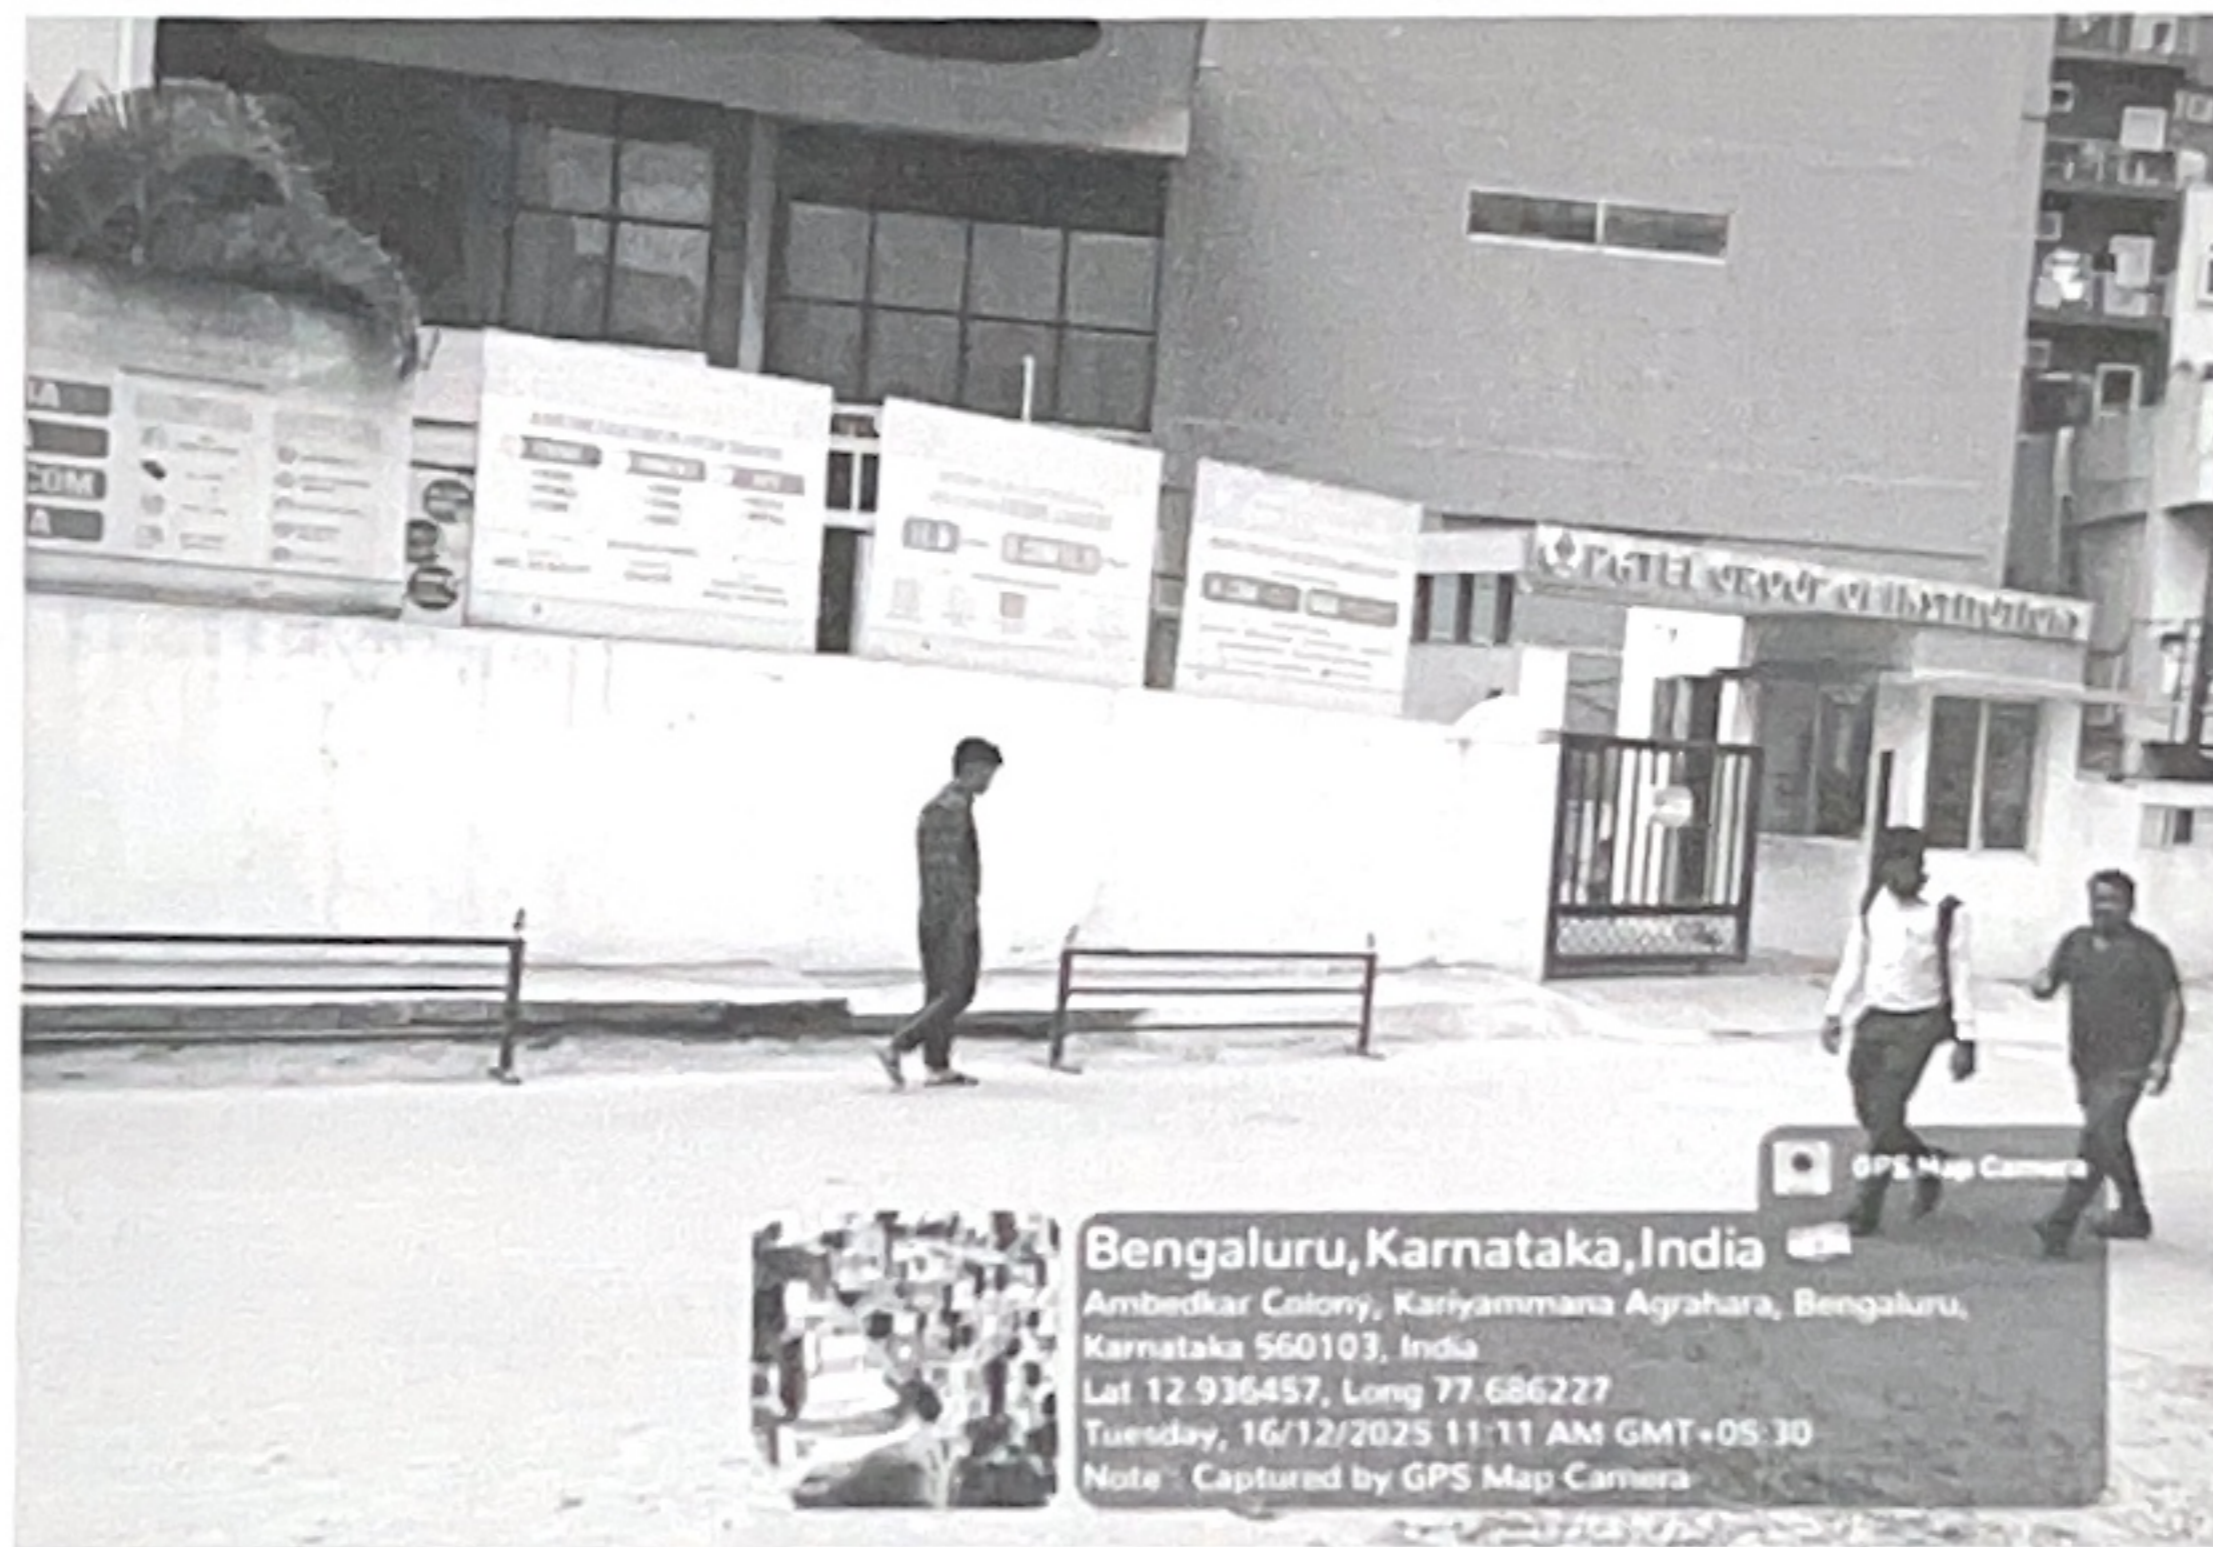

Affiliated to Bengaluru North University, Approved by AICTE, Govt. of India, New Delhi

ALL-WEATHER APPROACH (MOTORISED ROAD)

Patel Institute of Science and Management is easily accessible due to its all-weather approach, which includes a well-maintained motorised road that connects the campus to the nearby city. The road is designed to ensure the smooth movement of vehicles in all weather conditions, be it rain or shine. The road is also equipped with proper drainage systems to prevent water logging during heavy rains, thus ensuring hassle-free commutation for students, faculty, and visitors.

The motorised road is regularly maintained by the institute's management to ensure the safety of commuters. It is also fitted with streetlights, which provide adequate illumination during the night, making it a safe option for students who need to travel back and forth from the campus during the evenings.

The institute also provides parking facilities for vehicles of students, faculty, and visitors. The parking area is well-maintained and secure, with proper surveillance to ensure the safety of the vehicles. Overall, the all-weather approach of Patel Institute of Science and Management ensures a comfortable and safe for everyone with the institution.
