INSTITUTION INDUSTRY CELL (IIC)

About Institution's Industry Cell (IIC):

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's

Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher

Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture

young students by supporting them to work with new ideas and transform them into prototypes

while they are in their formative years. MIC has encouraged creation of Institution's Innovation

Council (IICs)' across selected HEIs to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. Our

Institute KJ's Trinity Academy of Engineering Pune has been selected for establishing Institution Innovation Council (IIC) (2019) at our premises as per the norms and directions of

Innovation Cell, Ministry of HRD, and Govt. of India.

Objectives:

- To synchronise the quality of education to meet the current trends and needs of industry.
- To produce employable students i.e., "Industry-Ready students."
- To create adequate facilities for upgrading knowledge of professional engineers and technologists to meet the growth and developmental needs of the current industry.
- To integrate industrial training and other inputs to develop students.
- To share the experience and expertise between institutions and industry for mutual
