SWAYAM COURSE

Education is a prime element for the progress of any country. 'Study Webs of Active Learning for Young Aspiring Minds' (SWAYAM), is a jointly initiative by Ministry of Human Resource Development (MHRD) and All India Council for Technical Education (AICTE), Government of India to provide an integral teaching learning platform in online mode. This covers all higher education subjects and skill sector courses. SWAYAM MOOCs (Massive Open Online Courses) platform is World's Largest Online Free E-Learning Platform Portal designed to achieve the three cardinal principles of Education Policy viz., Access, Equity and Quality by covering School/Vocational, Under-Graduate, Post Graduate, Engineering and Other Professional Courses. Patel Institute of science and management organised a session on Swayam courses. The faculties PISM has registered for the Courses.

Objectives of SWAYAM

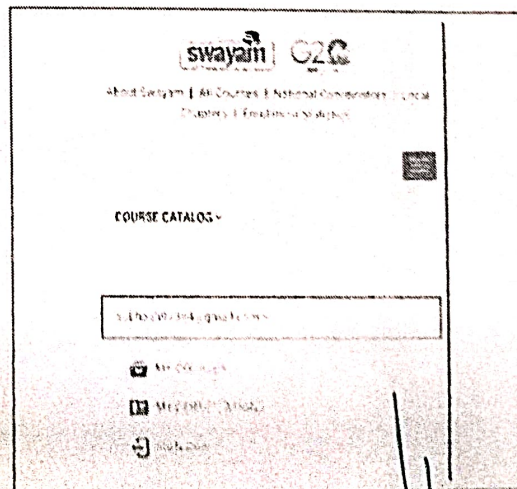

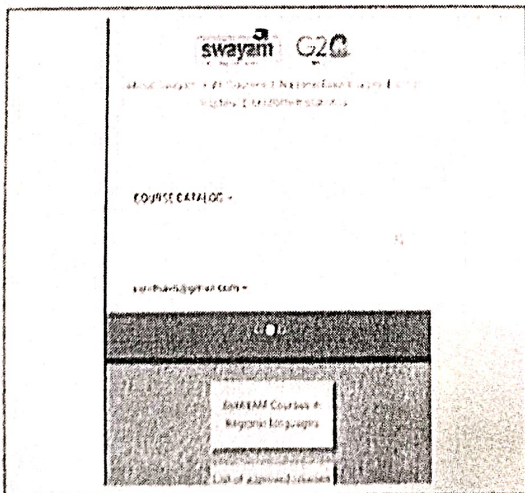

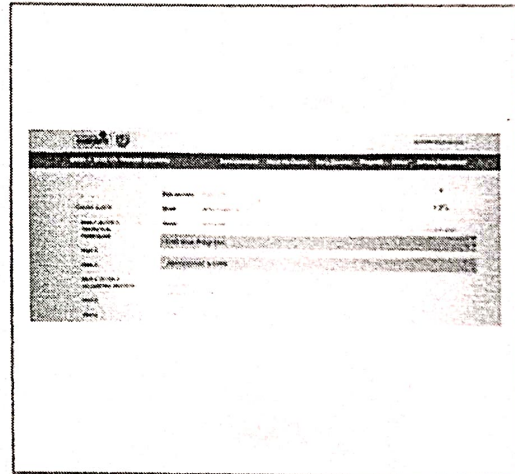

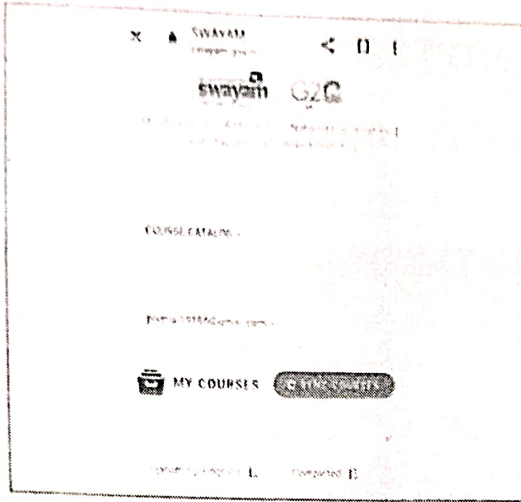

- To take the best teaching learning resources to all, including the most disadvantaged group.
- SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.
- High quality education will reach to the everyone at minimum cost and endeavour by the government of India.

Benefits of SWAYAM

- For any Indian learner, SWAYAM is absolutely free of cost for learning but some fees is applied in case of certificate.
- The SWAYAM is a new platform to Indian learner that is complimentary to formal education in India
- The learners who are in Indian University and institutions cannot get quality teachers but SWAYAM is a platform by which any of the learners can get easily attached with the best teachers like the teachers of IITs, IIMs etc.
- Advanced curriculum and professional certification under a unified scheme in higher education domain that can be tailored to meet the demands of Choice Based Credit System (CBCS) currently being implemented in India at under graduate level.
