VEHICLE PARKING

At Patel Institute of Science and Management, we understand the importance of providing adequate vehicle parking space for our students, staff, and visitors. That's why we have taken special care to create ample parking facilities within the campus

Our parking facilities are well-organized and can accommodate a large number of vehicles. We have separate parking zones for cars and two-wheelers to ensure that our students and staff can park their vehicles safely and conveniently. We also have designated parking spaces for visitors to ensure that they do not face any inconvenience while visiting our campus.
