INTERNAL QUALITY ASSURANCE CELL

REPORT 2024-2026

Internal Quality Assurance Cell

The National Assessment and Accreditation Council (NAAC) has proposed the establishment of an Internal Quality Assurance Cell (IQAC) in every higher education institution as a measure for sustaining and upgrading the quality of education in pursuance of its Action Plan for performance evaluation, assessment and accreditation. The IQAC will be integrated into the institution's system and work towards achieving the goals of quality enhancement and sustenance, as quality improvement is an ongoing process. The main objective of the IQAC is to devise a system for deliberate, systematic and transformative advancement in the overall performance of institutions. The IQAC's work marks the beginning of the process of internalizing and institutionalizing quality enhancement initiatives.

Strategies

The IQAC shall develop strategies and protocols to ensure the prompt, effective, and forward looking execution of academic, administrative, and financial responsibilities, including:

- Offering academic and research programs that are relevant and of high quality
- Providing fair access to and reasonable costs for academic programs for diverse communities

1. Optimizing and integrating modern pedagogical methods
2. Ensuring the reliability of assessment and evaluation processes
3. Ensuring the adequacy, upkeep, and appropriate distribution of support structures and services
4. Disseminating research results and collaborating with other domestic and international institutions

Vision

To develop a systematic quality process in the institution for evolving, enhancing and sustaining excellence in its academic and administrative practices and to set benchmarks for their periodic evaluations.

Objectives

1. To facilitate the integration of the various activities of the institution and institutionalize best practices.
2. To provide a sound basis for decision-making imbibing all the dimensions of service quality to improve institutional functioning.
3. To a heightened level of clarity to focus on institutional functioning towards quality enhancement and facilitate internalization of the quality culture.
4. Act as a change agent in the institution.
5. To better internal communication

Functions

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of an institution
2. Dissemination of information on various quality parameters of higher education
3. Organization of workshops, seminars on quality-related themes and promotion of quality circles
4. Documentation of the various programmes/activities leading to quality improvement

Composition of IQAC
